# Fees

## Types of Fees

### Yearly Administrative Fee

All members (Voting and Non-Voting) will need to pay an annual administrative fee to help cover the administrative expenses for operating the league (like website, slack, email, training, and other shared resources).

The Yearly fee is on a sliding scale between \$0 and \$20. We are asking members to choose a level that they can afford to pay. There will be no discounts for leadership positions.

### Monthly Skater Fee

Skating members will additionally need to pay a monthly fee to cover the cost of practice space rental. Sometimes referred to as Monthly Skater Dues.

**Waived for skating officials.**

Those members include:

- ★ Skaters who are practicing and/or playing derby. This includes skaters who typically participate as a player but are acting as a PL, PLA, Safety, or other volunteer role at practice.
- ★ Skaters who are learning to play derby. This includes skaters who are learning how to skate (unless they are only learning in order to become a skating official)

Madison Roller Derby is shifting to a sliding scale for Monthly Skater Fees. The monthly skater fee is on a sliding scale between \$0 and \$100. There will be no discounts for leadership positions.

**Monthly Fee is waived for skating officials.**

## Guidance for Choosing Fee Levels

Madison Roller Derby is utilizing a sliding scale for Yearly Administration Fees and Monthly Skater Fees. Members will self-select their fee amounts based on income and ability to pay. (No proof of income is required to select rates that best represent your ability to pay.) This structure is rooted in consideration of ability to pay and a logic of solidarity, as part of an ongoing effort to increase economic accessibility for current and future members.

Most members will set their skater dues at \$50 a month. We ask that you consider the value received from your membership with MRD and skating, and opt into a dues level you are able to pay on a monthly basis (Not what you WANT to pay).

### Late Policy

If a Member becomes 30+ days late paying the fee, the Membership tracker will contact the member to check in and touch base. Secondly, they will work with the member to see if they can pay. If a member is unable to pay, we will work with them to adjust the level of dues they are paying, or find another solution. If a member has not paid dues, or has not communicated or responded to the Due tracker's outreach for 60 days, they may have their membership with MRD suspended at the discretion of the EB.

### Scholarship and Hardship Policy

If a member is unable to pay the Yearly Administrative fee or Monthly Skater Fee, they can be supported by Scholarship funds. To request scholarship support, contact [scholarships@madisonrollerderby.org](mailto:scholarships@madisonrollerderby.org), or mark "Scholarship Support Requested" when filling out Annual Membership Paperwork.

If a League member finds themselves unable to pay their regular fees and needs to request scholarship support, we ask them to contact [scholarships@madisonrollerderby.org](mailto:scholarships@madisonrollerderby.org) to request assistance and adjustments to their fees.
